Free glossary of terms used in this document

(created pursuant to the Regulation of the Minister of Development and Finance of 14 July 2017 on the list of representative services linked to a payment account)

- 1) payment account overdraft — the service referred to in Article 2 item 16b of the Act of 19 August 2011 on payment services, hereinafter referred to as the “Act”;
- 2) transfer order — the service referred to in Article 3 paragraph 4 of the Act, excluding internal transfer orders, SEPA transfer orders and transfer orders in a foreign currency;
- 3) SEPA transfer order — a service initiated by the payer, consisting in enabling the transfer of funds in EUR from the payer’s payment account to the payee’s payment account, where both operators or one of them conduct activity within the Single Euro Payments Area (SEPA);
- 4) internal transfer order — a service initiated by the payer, consisting in enabling the transfer of cash between payment accounts maintained by the same operator;
- 5) transfer order in foreign currency — a service initiated by the payer, consisting in enabling the transfer of funds from the payer’s domestic payment account maintained with the operator to the payee’s domestic payment account maintained with the operator in a currency other than PLN and EUR;
- 6) direct debit — the service referred to in Article 3 paragraph 2 of the Act;
- 7) SMS notification — a service consisting in transmission of payment account notifications via SMS;
- 8) maintenance of a payment account — a service consisting in the maintenance of a payment account for a consumer, allowing for the consumer’s cash to be kept and for payment transactions to be executed, inclusive of the service of opening or closing the consumer’s payment account;
- 9) preparation of a statement of payment transactions — a service initiated by the payer, consisting in preparation, by the payment account operator, of a statement of transactions executed within the payment account in a given period, in paper or electronic form;
- 10) cross-border payment transaction using a debit card for cashless payments — a service consisting in execution of cashless payment transactions using a debit card in the territory of another Member State, both with and without physical use of the card;
- 11) cross-border payment transaction using a debit card for cash payments — a service consisting in withdrawal of funds from the consumer’s payment account in the territory of another Member State by means of a device enabling such withdrawal or at the operator’s branch;
- 12) issuance of a payment card — a service consisting in issuing a payment card, referred to in Article 2 item 15a of the Act;

- 13) debit card handling — a service enabling the payer to use the payment card, referred to in Article 2 item 15a of the Act, if the amount of each transaction executed with the card debits the balance of the payer's payment account;
- 14) credit card handling — a service enabling the payer to use the payment card, referred to in Article 2 item 15a of the Act, if the amount of each transaction executed with the card reduces the set credit limit;
- 15) issuance of a certificate regarding the payment account held — a service consisting in the payment account operator issuing a certificate with information on the payment account or services provided to the consumer;
- 16) cash withdrawal — a service consisting in cash withdrawals from the consumer's payment account by means of a device enabling such a withdrawal or at the operator's branch;
- 17) cash deposit — a service consisting in depositing cash into the consumer's payment account by means of a device enabling such a deposit or at the operator's branch;
- 18) telephone banking service — a service consisting in accessing a payment account by telephone via the operator's helpline, enabling in particular verification of the balance of the payment account or placement of another type of instruction regarding the account;
- 19) electronic banking service — a service involving access to a payment account via the Internet, enabling the checking of the payment account balance, changing the limits for cashless payments and transactions made using a debit card or placing another type of instruction regarding the account;
- 20) standing order — a service initiated by the payer, consisting in cyclical transfer of funds in a specified amount from the payer's payment account to the payee's payment account.
